Dear Mr. Nelson:

Thank you for noticing our advertisement in the August 1964 issue of The Office.

We appreciate the opportunity of sending along our general sales brochure for your information. The Bunn Package Tying Machine is made in a number of basic models and with over 1500 possible variations to handle any specific package tying problem.

Our representative in your area:

D.M. Melville Company
164-15 Northern Blvd.
Flushing 58, New York

will contact you in the immediate future to make an appointment to give you details and discuss the application of Bunn Package Tying Machines in your particular operation. You will find our representative ready to use his wide experience in any way he can to help you solve your problem.

Yours very truly,

B. H. BUNN COMPANY
